

# YOUR 3D PRINTING SUPER POWER

Go from design to object  
in hours, not months.  
Rapid prototyping so  
fast, you'll start calling  
it lightning prototyping.

LulzBot delivers the ultimate desktop  
3D printer, empowering business  
innovators and inventors to conceive,  
create, and manufacture prototypes  
and products more quickly and  
efficiently than ever.

Watch 40 desktop 3D printers  
print their own parts at  
[www.LulzBot.com](http://www.LulzBot.com)
